Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Districtwide Security Enhancements Project in fiscal Year 2027. The entity to receive funding for this project is Alameda-Contra Costa Transit District (AC Transit), located at 1600 Franklin Street, Oakland, CA 94612. The funding would be used for installing and upgrading all badge access systems, enhancing video monitoring systems, replacing obsolete hardware, and deploying a digital key management system. The project is an appropriate use of taxpayer funds because the existing security infrastructure across East Bay facilities lacks the modern technology needed to safeguard employees, visitors, and the public.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
