Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the East Bay Greenway Multimodal Project - Hayward Segment project in fiscal Year 2027. The entity to receive funding for this project is Alameda County Transportation Commission, located at 1111 Broadway, Suite 800, Oakland, CA 94607. The funding would be used for connecting the Hayward and South Hayward BART stations by constructing physically separated high-quality bicycle facilities suitable for people of all ages and abilities, where feasible, improving multimodal access to regional transit, including BART and AC Transit, schools, downtown areas, and community facilities, and reducing greenhouse gas emissions. The project is an appropriate use of taxpayer funds because it will improve safety for all users of the roadway and create a connected bicycle and pedestrian network that is accessible and comfortable to families with children, and bicyclists and pedestrians of all ages and abilities.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC §133 (b) (7).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
