Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Station Safety, Security and Rider Experience project in fiscal Year 2027. The entity to receive funding for this project is the San Francisco Bay Area Rapid Transit District (BART), located at 2150 Webster Street, 9th Floor, Oakland CA 94612. The funding would be used for targeted visible investments designed to improve safety, cleanliness, functionality, and overall rider experience across the system. The project is an appropriate use of taxpayer funds because these investments advance state of good repair objectives, address visible deferred maintenance, and ensure BART stations remain safe, accessible, and welcoming spaces throughout the Bay Area.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
