Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Improvement of Lake Elizabeth to Support Implementation of the City's Lake Management Plan project in fiscal Year 2027. The entity to receive funding for this project is the City of Fremont, located at P.O. Box 5006, Fremont, CA 94537-5006. The funding would be used for supporting expanded improvements identified through the Lake Management Plan to stabilize oxygen levels, reduce nutrient loading, and improve overall water quality. The project is an appropriate use of taxpayer funds because it will protect critical stormwater infrastructure, improve environmental conditions, and restore Lake Elizabeth as a healthy and sustainable community resource for Fremont residents.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
