Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Hayward Real Time Information Center for Public Safety. The entity to receive funding for this project is Hayward Police Department, located at 300 W. Winton Ave. Hayward, CA 94544. The funding would be used for the proposed Real Time Information Center (RTIC), which will integrate these technologies into a centralized operational platform delivering real-time information to officers in the field.

The project is an appropriate use of taxpayer funds because the RTIC maximizes existing technology investments rather than requiring new personnel or duplicative systems.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
