Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Union City Health Center Renovation Project in Fiscal Year 2027. The entity to receive funding for this project is Tiburcio Vasquez Health Center, Inc., located at 1260 B Street, Suite 125, Hayward, CA 94519. The funding would be used to modernize the existing Union City Health Center by improving clinical space, exam and treatment rooms, care team areas that support care and resource coordination, medical equipment, solar infrastructure, and parking lot safety and security.

The project is an appropriate use of taxpayer funds because it will expand clinical capacity, improve safety and efficiency, and make it easier for patients to access high-quality medical, dental, behavioral health, and preventive care close to home.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
