Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the West Las Positas Multimodal Improvement Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Pleasanton, located at 123 Main Street, Pleasanton, CA 94566. The funding would be used to provide critical safety improvements on the corridor. West Las Positas at Owens Drive has the most pedestrian and bicycle collisions in the corridor, and a protected bike lane and new crossings will address these issues and make the corridor safer for both bicyclists and motorists. The project is an appropriate use of taxpayer funds because the project is a combination of a complete roadway reconstruction to make repairs (it is currently sinking due to the clay soil beneath) and installation of the protective measures outlined above.

The project has a Federal nexus because the funding provided is aligned with the purposes 42U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
