The Honorable Peter A. DeFazio  
Chair, House Committee on  
Transportation & Infrastructure  
2165 Rayburn House Office Building  
Washington, D.C. 20515

The Honorable Sam Graves  
Ranking Member, House Committee on  
Transportation and Infrastructure  
2164 Rayburn House Office Building  
Washington, D.C. 20515

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Tesla Road Rural Safety Improvement Project in surface transportation reauthorization legislation. The project sponsor for this project is the Alameda County Public Works Agency, and the project is located in Eastern Unincorporated Alameda County, California. The funding is designated for construction of safety and beautification measures along Tesla Road, which is home to many local wineries. The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: enhancing Tesla Road as the gateway to Livermore Valley wineries by, among other things, providing safe driveway access to local businesses, improved roadway shoulders, high visibility crosswalks for pedestrians safety, and the undergrounding of overhead utilities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Eric Swalwell  
Member of Congress
